

## Headmaster's Newsletter

March 2019

Greetings to the Benoni High Community

A plea to all parents to not complete holiday booking before the school closes. This is simply unacceptable and places enormous pressure on all the educators concerned. Specified tests and tasks that are not completed without a medical certificate will result in the learner forfeiting the allocated marks.

The renovations to the Vatican are in full swing with an estimated date of completion 1 May 2019. The matrics of 2019 will be the first group to utilise the new structure – the preliminary date for the start of mid-year examinations is the 15<sup>th</sup> of May.

The coffee-bar (Eyami cafe) officially opened on 1 March 2019. The owners are primarily operating out of the side hatch. However the owners have promised to have the inside seated area completed and in use by the start of Term 2.

Important Dates Term 2:

5 April – Reports taken home by learners

12 April – Music Evening in the pavilion starting at 18h00. Tickets R50-00. Still available

6 April – Derby Day against Northcliff High School at Benoni High

11 April – Parents evening

13 April – Derby Day against Edenvale High School at Benoni High

Please check the website for the dates for Term 2, including the date of closing – 14<sup>th</sup> June

With the school closing I wish everyone a good rest; for those travelling please be safe. I wish all the teams off to Volksrust good luck and enjoy and learn from the experience. Thank you to all the staff and coaches accompanying the learners – this is most appreciated.

Thank You.

Mr. G.E. Rooyakkers

(Headmaster)
